

## FOR IMMEDIATE RELEASE

During the beginning of 2005, an incredible metamorphosis will be uncovered within Colours 'N Motion, Inc. Not only will Colours be relocating our operations to a brand new facility, but we will also be expanding our sales force throughout Europe.

This amazing relocation pilgrimage will commence on December 27, 2004 and be carried out through January 01, 2005. Colours new production site is more than twice the size of our current facility and will enable us to enhance our operations.

In addition, we would like to introduce Med Services Europe B.V. and Dr. Gene Emmer. As president of Med Services Europe B.V., Dr. Emmer will be advancing the sales force within the European market. If you would like more information please contact them at [www.MedServicesEurope.com](http://www.MedServicesEurope.com).
